CORRECTION, DISCLAIMER, SURRENDER,
ETC.

§ 2.171 New certificate on change of ownership.

(a) If the ownership of a registered mark changes, the assignee may request that a new certificate of registration be issued in the name of the assignee for the unexpired part of the original period. The assignment must be recorded in the Office, and the request for the new certificate must be signed by the assignee and accom-

panied by the fee required by § 2.6(a)(8). If available, the original certificate of registration must be submitted.

(b) When ownership of a registration has changed with respect to some, but not all, of the goods and/or services, the registrant(s) may file a request that the registration be divided into two or more separate registrations. The fee required by § 2.6(a)(8) must be paid for each new registration created by the division, and the change of ownership must be recorded in the Office.

§ 2.172 Surrender for cancellation.

Upon application by the registrant, the Director may permit any registration to be surrendered for cancellation. Application for such action must be signed by the registrant and must be accompanied by the original certificate of registration, if not lost or destroyed. When there is more than one class in a registration, one or more entire class but less than the total number of classes may be surrendered as to the specified class or classes. Deletion of less than all of the goods or services in a single class constitutes amendment of registration as to that class (see § 2.173).

§ 2.173 Amendment of registration.

(a) The registrant may apply to amend the registration or to disclaim part of the mark in the registration. A written request specifying the amendment or disclaimer must be submitted. The request must be signed by the registrant and verified or supported by a declaration under § 2.20, and accompanied by the required fee. If the amendment involves a change in the mark, a new specimen showing the mark as used on or in connection with the goods or services, and a new drawing of the amended mark, must be submitted. The certificate of registration or, if the certificate is lost or destroyed, a certified copy of the certificate, must also be submitted. The registration as amended must still contain registrable matter, and the mark as amended must be registrable as a

whole. An amendment or disclaimer must not materially alter the character of the mark.

(b) No amendment in the identification of goods or services in a registration will be permitted except to restrict the identification or otherwise to change it in ways that would not require republication of the mark. No amendment seeking the elimination of a disclaimer will be permitted.

(c) A printed copy of the amendment or disclaimer shall be attached to each printed copy of the registration.

Whenever a material mistake in a registration, incurred through the fault of the Patent and Trademark Office, is clearly disclosed by the records of the Office, a certificate stating the fact and nature of such mistake, signed by the Director or by an employee designated by the Director and sealed with the seal of the Patent and Trademark Office, shall be issued without charge and recorded, and a printed copy thereof shall be attached to each printed copy of the registration certificate. Such corrected certificate shall thereafter have the same effect as if the same had been originally issued in such corrected form, or in the discretion of the Director a new certificate of registration may be issued without charge. The certificate of registration or, if said certificate is lost or destroyed, a certified copy thereof, must be submitted in order that the Director may make appropriate entry thereon.

vided that the correction does not involve such changes in the registration as to require republication of the mark.

(b) Application for such action must specify the mistake for which correction is sought and the manner in which it arose, show that it occurred in good faith, be signed by the applicant and verified or include a declaration in accordance with §2.20, and be accompanied by the required fee. The certificate of registration or, if said certificate is lost or destroyed, a certified copy thereof, must also be submitted in order that the Director may make appropriate entry thereon.
